Applied Mathematics, Computer Science & Artificial Intelligence student at École Polytechnique.

Education

École Polytechnique

Palaiseau, France

2025 – 2029

- Engineering diploma, « Cycle Ingénieur Polytechnicien – Programme Grande École » with a focus on Applied Mathematics, Computer Science and Artificial Intelligence
- Recipient of the Excellence Scholarship awarded by the École Polytechnique Foundation (based on academic merit)

École nationale supérieure polytechnique de Yaoundé

Yaoundé, Cameroon

2022 – 2025

- Preparatory classes
- Advanced courses in Mathematics, Physics, and Computer Science

Projects

High-Dimensional Numerical Integration

École Polytechnique, Paris

2025

- Implemented and benchmarked three numerical integration methods (Riemann sums, adaptive quadrature, Monte Carlo) in Python
- Built confidence intervals for Monte Carlo estimators using the Central Limit Theorem and Slutsky's theorem

Professional Experience

Cordée de la réussite, Lycée Suger

Saint Denis, France

Sep 2025 – Mar 2026

- Mentored high school students through weekly academic tutoring in mathematics and physical sciences, and guided them in designing and testing scientific projects
- Promoted equal opportunity and scientific outreach by fostering problem-solving skills, scientific discipline, and self-confidence

Intelligentsia Corporation

Yaoundé, Cameroon

Jul 2023 – Jul 2025

- Delivered intensive academic tutoring in advanced mathematics and physics to high school seniors preparing for competitive entrance exams to top engineering schools
- Provided personalized career counseling and academic orientation, guiding students through school selections and application strategies aligned with their profiles

Certifications

- **Advanced Learning Algorithms** — Andrew Ng, Coursera (Jul 2026)
- **Supervised Machine Learning: Regression and Classification** — Andrew Ng, Coursera (Jan 2026)

Extracurricular Activities

Football Academy Player — Midfielder

Red Star du Mfoundi, Yaoundé

2020 – 2022

- Trained in a competitive youth football academy, developing high-level athletic discipline, tactical awareness, and strategic vision as a central midfielder
- Demonstrated leadership, adaptability, and effective communication under pressure during regional competitions and group training sessions

Skills & Interests

- **Languages:** French (Native), English (Beginner)
- **IT Skills:** Python (NumPy, Pandas, Matplotlib, etc.), Microsoft Office, LaTeX
- **Interests:** Football, basketball, volleyball, badminton, swimming, anime, cooking, Rubik's cube
